

September 17, 2008

Mrs. Jackie Walton
South Lincoln High School
Guidance Department

Dear Parents and Potential Graduates:

Welcome back! Hopefully you were able to get the courses you requested.

As most of you are planning to graduate this year, you are faced with many decisions regarding post-secondary education or entering the world of work. You are encouraged to visit the guidance office as often as necessary to get the information you require to make decisions that work for you. The BEST way to get current information is at www.ontariocolleges.ca and at www.electronicinfo.ca. These two websites offer a wealth of information about any post-secondary planning you will need to do. The information bulletin board outside the Guidance Office posts a calendar of events that is updated regularly and daily announcements will also be made. Graduation photos will take place on Nov.17, 18 &19. All potential graduates must have their picture taken at this time for the graduation composite.

Attached to this letter is a "Proposed Schedule of Events" (as of September) that will occur throughout your senior year. Please post it or transfer it to a calendar that you refer to on a regular basis as University and College application deadlines are very important.

Once again, please do not hesitate to call (905) 957-3359 ext. 231 or come in for an appointment to ensure you have all the information necessary concerning your options upon graduating. We hope you have a successful year.

Sincerely,

Mrs. Jackie Walton
Guidance Counsellor
